Coaches Corner

Our players have worked hard and are excited to start our 2011 season! We open up again this year against Northville High School and it should be an exciting game. Our seniors have taken the leadership responsibility necessary for a successful season and the juniors and sophomores have stepped up their skills for their Varsity season. Northville has a very talented offense and our defense must rise to this challenge. This year we will begin at home and this will add a little more to kick-off our exciting season.
